

COUNCIL MEETING – 22 JULY 2020

QUESTIONS AND STATEMENTS FROM MEMBERS OF THE PUBLIC

1. Andrew Thorpe-Apps on the West Chelmsford Masterplan and Proposed Bus Link – to be put in person at the meeting

At last week's Policy Board meeting the Administration brought to the agenda the proposed Master Plan for the Warren Farm development with the recommendation of taking it to Cabinet for approval. However, at the meeting two Cabinet Members opposed parts of it and one seconded an amendment that the Plan be reviewed and this was agreed. Does this not show that the Liberal Democrat Administration is not fully backing their own Local Plan, which they recommended to Full Council in May, and which states that a bus link must be included for the proposed development at Warren Farm?
